

A long time ago, God chose a man named Moses to lead His people, the Israelites, out of slavery in Egypt. As they were escaping, they came to the Red Sea, and behind them, Pharaoh's army was chasing them! The people were scared, but Moses trusted God. He raised his staff, and with God's power, the sea split in two, creating a dry path right through the middle! The Israelites walked safely across, with giant walls of water on both sides. When they reached the other side, the sea closed behind them, stopping Pharaoh's army. God had saved His people, and they were free!

Everyone was too afraid to fight him, but David knew God would help him. Armed with just a sling and five smooth stones, David faced Goliath, saying, "God will help me defeat you!" David swung his sling, and with one stone, he hit Goliath right on the forehead, and the giant fell down! God gave David the courage to win, showing that even the smallest person can do great things with faith.

The next morning, the king was so happy to see Daniel safe, and he praised God for protecting him.

When they arrived, people were so happy to see Jesus that they laid down their coats and palm branches on the ground, creating a special path for him. They waved the branches and shouted, "Hosanna!" which means "Save us!" This event is remembered every year on Palm Sunday, showing how much the people loved and respected Jesus.

Noah and his family worked very hard to build the ark. When it was ready, they brought two of every kind of animal onto the ark: lions, elephants, giraffes, and so many more! Once everyone was safe inside, the rain began, and it lasted for 40 days and 40 nights. But Noah, his family, and all the animals were safe inside the ark. The Last Supper was a special meal Jesus shared with his twelve closest friends, known as the disciples. They gathered in an upstairs room to celebrate the Passover feast. During the meal, Jesus did something very important: he took bread, blessed it, broke it, and gave it to his friends, saying, "This is my body." Then he took a cup of wine, blessed it, and shared it, saying, "This is my blood." Jesus did this to show his love for them and to prepare them for what was coming next. They found out that the storm was because of Jonah, so they threw him into the sea. But instead of drowning, Jonah was swallowed by a huge whale! A long time ago, after the great flood, people spoke the same language and worked together. They decided to build a huge tower that would reach up to the heavens, called the Tower of Babel. They thought this tower would make them famous and powerful. But God saw what they were doing and realized they were becoming too proud. So, to stop them, God confused their language, making it impossible for them to understand each other. The people could no longer work together and had to spread out all over the world,

each group speaking a different language. This is how different languages began, and the tower was left unfinished.
